Funeral Plans from **Leroy Funeral Service**

Enjoy complete **peace of mind** by planning ahead

Golden Charter 
Funeral Plans
The UK's largest independent funeral plan provider

A funeral plan with **reassurance**

It's a good feeling, knowing things are taken care of in advance. And with a funeral plan from Golden Charter, you can do just that. It's a convenient way to plan ahead, by arranging your funeral now – and just like making a Will, once you've done it you can simply get on with enjoying life. As well as giving you reassurance and peace of mind, it means you're sparing your loved ones distress at a difficult time.

First-class service from your local independent funeral director

Golden Charter is the UK's largest independent funeral plan provider and over 375,000 people have chosen to take out a

plan with them. Because they only represent independent funeral directors like us, it means you're in the hands of a trusted local expert.

A **sound** financial decision

As well as complete peace of mind, paying in advance for your funeral is a shrewd financial move. By fixing our funeral director's services at today's prices you're getting good value. Mainly due to third party costs which are outside of our control, funeral costs have risen by 80% over the past nine years*. And as we all know, at the present time it's unlikely that savings accounts or life assurance products could keep up with that.

“Something I thought would be daunting turned out to be much simpler than I expected”

The **benefits** of planning ahead

- ✓ **Reassurance** for you and your family
- ✓ **Choice** of the exact funeral plan you want
- ✓ A local, **personalised** service
- ✓ **Acceptance guaranteed** – whatever your age or health
- ✓ **Protection** from rising costs

Guaranteed value, **guaranteed** satisfaction, **guaranteed** acceptance

With a Golden Charter funeral plan, you have a guarantee that there will be nothing more to pay for our services. Your plan also guarantees that everything will be carried out exactly as you wish when the time comes and acceptance is completely guaranteed regardless of age or health.

A **personal service** from your local independent funeral director

When you are thinking about something as important as your funeral arrangements, it makes sense to talk directly to the experts – your local independent funeral director. Unlike some funeral planning companies who restrict your choices and limit you to 'set' plans, we'll take the time to discuss your requirements in detail and help tailor a plan to suit you.
